SALT LAKE CITY
LEGEND

Airports having Control Towers are shown in Blue, all others in Magenta. Consult Airport/Facility Directory (A/FD) for details including airport status, services, and operations. Non-operational airports shown if maintained for emergency use.

AIRPORTS

- Other than non-authorized landing area
- Heliport
- Non-authorized heliport (3852 N, 44883 E, or larger)
- Seaplane Base
- Joint military-civil airport (Other than 3852 N, 44883 E, or larger)
- Open-die white barrel/post/tower; orange and white or natural appearance; lighted as necessary
- All recognizable hard-surface runways, including those closed, 1,000 feet and longer (Runways less than 1,000 feet not shown)

ADDITIONAL AIRPORT INFORMATION

- Private "(PVT)" - Use public use being emergency or permission required
- Military - Other than hard-surface, all military data, or military hard-surface runways less than 1,000 feet
- Ultralight
- Balloon
- Glider
- Helicopter
- Hang Glider
- Parachute Jumping
- Landing prohibited, other than emergency or permission

Runways - Hard-surfaced, and hard-surfaced sealing/surface sealing, 1,000 feet and longer; Soft-surfaced, sealing/surface sealing 1,000 feet and longer; Hard-surfaced and soft-surfaced, sealing/surface sealing less than 1,000 feet; Hard-surfaced and soft-surfaced, sealing/surface sealing, closed; Runways under construction; Runways closed; Runways closed, under construction

Runway Number - Runway number and true bearing to nearest tens of degrees

Runway Length - Length in hundreds of feet (4 digits or more)

Runway Surface Type - Hard surface; Soft surface; Sealing/surface sealing

Runway Edge Lights - Medium intensity; High intensity; Flashing

Runway Lighting Restrictions - Limited in use; Part-time; Prior permission required

Runway Lighting Control - Pilot control; Remote control

Runway Lighting Aids - Visual glide slope indicator; Runway end identifier lights; Runway centerline lights; Runway edge lights; Runway touchdown zone lights; Runway aligning aid; Runway approach lights; Runway barrier; Runway arresting gear; Runway arresting gear and barrier

Displaced Threshold - Displaced threshold; Displaced threshold, runway end identifier lights; Displaced threshold, runway end identifier lights, runway edge lights; Displaced threshold, runway edge lights

Runway Gradient - Runway gradient; Runway gradient, runway end identifier lights; Runway gradient, runway edge lights; Runway gradient, runway end identifier lights, runway edge lights

Runway Pattern - Left traffic pattern; Right traffic pattern

Runway Marking - Runway marking; Runway marking, runway edge lights

Runway Lighting Key Location - Runway lighting key location; Runway lighting key location, runway edge lights

Runway Lighting Control - Runway lighting control; Runway lighting control, runway edge lights

Runway Lighting Aids - Runway lighting aids; Runway lighting aids, runway edge lights

Runway Lighting Restrictions - Runway lighting restrictions; Runway lighting restrictions, runway edge lights

Runway Lighting Type - Runway lighting type; Runway lighting type
